Material Safety Data Sheet
May be used to comply with
OSHA's Hazard Communication Standard,
29 CFR 1910.1200. Standard must be
consulted for specific requirements.

U.S. Department of Labor
Occupational Safety and Health Administration
(Non-Mandatory Form)
Form Approved
OMB No. 1218-0072

IDENTITY *(As Used on Label and List)* Filter Coating CMD-18

Note: Blank spaces are not permitted. If any item is not applicable, or no information is available, the space must be marked to indicate that.

Section I

Manufacturer's Name Crow Marketing & Distribution, Inc.	Emergency Telephone Number 800-255-3924
Address *(Number, Street, City, State, and ZIP Code)* P. O. Box 29171, Dallas, TX 75229	Telephone Number for Information 972-241-3049
	Date Prepared 09-09-91 REVIEWED 12/01/99
	Signature of Preparer *(Optional)*

Section II -- Hazardous Ingredients/Identity Information

Hazardous Components (Specific Chemical Identity; Common Name(s))	OSHA PEL	ACGIH TLV	Other Limits Recomended	% (optional)
Butane/Propane/Isobutane Propellant	1000 ppm	800 ppm		
CAS #(106-97-8(74-98-6)(75-28-5)				
Petroleum Distillate CAS #(68551-18-8)	400 ppm	400 ppm		

Section III -- Physical/Chemical Characteristics

Boiling Point	340°-590°	Specific Gravity (H_2O = 1)	0.76
Vapor Pressure (mm Hg.) at 25°C	<0.1	Melting Point	None
Vapor Density (AIR = 1)	>1	Evaporation Rate (Butyl Acetate = 1)	<1

Solubility in Water
Emulsifiable

Appearance and Odor
Translucent colorless liquid with perfumed odor.

Section IV -- Fire and Explosion Hazard Data

Flash Point (Method Used) FIFRA: Flame extension test 17 inches	Flammable Limits N/A	LEL N/A	UEL N/A

Extinguishing Media
Dry chemical, foam, carbon dioxide (CO_2)

Special Fire Fighting Procedures
Fire fighters use water fog or spray to cool fire exposed aerosol containers, wear self contained breathing apparatus.

Unusual Fire and Explosion Hazards
Contents under pressure! Exposure to temperatures above 120°F may cause bursting.

Section V -- Reactivity Data

Stability	Unstable		Conditions to Avoid: None known
	Stable	X	

Incompatiblity *(Materials to Avoid)*: Strong Oxidizing Materials

Hazardous Decomposition or Byproducts: Carbon oxides

Hazardous Polymerization	May Occur		Conditions to Avoid: None known
	Will Not Occur	X	

Section VI -- Health Hazard Data

Route(s) of Entry: Inhalation? Yes; Skin? Yes; Ingestion? Yes

Health Hazards *(Acute and Chronic)*: EYES: May be mildly irritating. SKIN: May be mildly to moderately irritating. INHALATION: May cause headache, dizziness or nausea. INGESTION: May irritate stomach and intestine..

Carcinogenicity: NTP? None known; IARC Monographs? No; OSHA Regulated? No

Signs and Symptoms of Exposure: See above mentioned health hazards.

Medical Conditions Generally Aggravated by Exposure: None known.

Emergency and First Aid Procedures: EYES: Flush eye with water for 15 min., if irritation persists, get medical attention. SKIN: Wash with soap & water, if irritation persists, call physician. INHALATION: Remove to fresh air. INGESTION: Do not induce vomiting, call a physician ASAP.

Section VII -- Precautions for Safe Handling and Use

Steps to Be Taken in Case Material is Released or Spilled: Remove all ignition sources. Dike and contain spill with inert absorbant material, sweep up and transfer to sealed containers for disposal. Mop up residue. Keep cleaning runoffs out of sewer.

Waste Disposal Method: Replace cap & discard container in accordance with all approved procedures, set forth by federal, state, local disposal authorities. Do Not incinerate or puncture containers.

Precautions to Be Taken in Handling and Storing: Store in a cool, well ventilated area away from ignition and heat sources.

Other Precautions: Contents under pressure. Do not puncture or incinerate container.

Section VIII -- Control Measures

Respiratory Protection *(Specify Type)*: Not required if good ventilation is maintained.

Ventilation: Yes	Local Exhaust: Maintain good ventilation		Special: N/A
	Mechanical *(General)*: N/A		Other: N/A

Protective Gloves: Rubber

Eye Protection: Goggles

Other Protective Clothing or Equipment: None required.

Work/Hygienic Practices: Keep out of reach of children.
